New SKU's and Colors for 2023

- Attached below is a revised Legend spec book.
- Revised electronic spec books is now the Legend website.
- **2020 is online and Pro Kitchen are still in programming.**
- All the new SKUs are in the system
- **You can place orders for the new SKUs listed below immediately!**
- If you want to print out addendum pages, we are developing a file that will include only the addendum pages, should be available April 17th.

What's NEW!

New Colors- DF1- **"Black"** paint, (Great accent color for white and gray kitchens)
"Drift" stain, (Similar to Woodland's hot new Biscotti color)

New SKUs:

DF2- Legend is upgrading all stains to SW 800 Series.

The result will be a cleaner looking product with less grain raise. The new stains **will match existing colors**. We will advise dates as they occur.

C01- Reduced Price and better quality on finished ends!

This should reduce the overall price on an average job by approx. 2.5%!
Don't forget that rustic jobs will still need skins on finished ends.

B1, B3, V2- Added 48" base & Sink Base and Vanity cabinets.

B6- Added BC 44 to accommodate the Rev-A-Shelf Half-Moon susan tray.
(Needed extra inside width for easier field installation)

Vanity - New 32.5" shorter height vanity options

F2- Bookcases -Designed to be placed on the counter -top. Interior is finished to match but you need to call out finished ends.

F3,4-Locker system- Locker program is designed to have a bottom unit, wood countertop, mid-level stacker and choice of upper wall cabinets.

(We recommend Using #7195 stack molding covers seams between mid- level stacker and wall cabs.)

F4,5,6- Wood countertops- Choose Beveled or Square Edge, finished 3 sides or just front side. Can be cut down in the field.

MA5- Birch Face Frame material for custom applications

A1,2- Additional interior shelves now cut to fit. Order by cabinet size.

S1- New economical chip set options- Chip8- 8' sticks designed to be field-cut to hand out to builders, or a 5 pack of one chip/color.

Universal Design- new 4.5" toe kick option. Market is split between 9" & 4.5" toe kick needs. (Now we offer both.)

UD9- Convertible Sink base. A fantastic new design by Mike Tchida!

(Convert from standard cabinet to ADA by removing floor and removing doors. Saves money by not having to finish the sides of adjoining cabinets.

The New colors are available on the SCD15 door samples on Order Express. Cost is only \$32 each, Order these great new colors on OE.
