

Introducing Jim McCarthy

Hi—

We want to thank you for helping RAVE Reps experience unprecedented growth in 2023.

With gratitude and continued commitment to our dealers, we took a **big step** to provide even better service to you and your team!

We would like to announce that Jim McCarthy, experienced manufacturers' representative and long-time New Englander has joined RAVE Reps as a new associate.

Jim is a dedicated US veteran with a sharp eye for detail, providing excellent service to client dealers and the manufacturers he works with.

He's handled everything from design and sales to logistics and delivery for 100-unit projects, always approaching each kitchen with care and precision.

Jim's unwavering commitment to excellence is encapsulated in the words of John C. Maxwell: "Dreams don't work unless you do."

We are happy to welcome Jim McCarthy to RAVE Reps and we know you'll love working with him too.
